# PRESS QUOTES

"NC Grey's voice surges with the  
passion of Nina Simone, the exotic  
sumptuous savor of Sade, and the  
bravura projection of Adele. It's  
evocative, rich and sensuous, truly  
sui generis"

- Huffington Post

"NC Grey's penchant is for deep  
lyrics and catchy hooks...  
Heartfelt tracks..express a certain  
vulnerability that comes not from  
naivety but from a wellspring of  
deep self-knowledge and inner  
strength."
